Start the New Year Out Right

If Christmas gifts weren't in your budget last year, or you were simply too busy, don't think you've missed the boat for thanking your clients.

We can make gifts given after the Holiday season extra special. Instead of feeling like you missed out, send a gift for New Year's or Valentines Day.

Not only will you look insightful and creative, you just might be a trend-setter. There would be no other gift to compare to yours, and I am sure your gift (therefore your company) will be remembered much more than if you send the expected "Christmas Gift".

Personalized Beer, Wine & Champagne

With 5 different wines and champagne to choose from, you can create the perfect corporate gift. And when the occasion calls for something a bit more grounded, our personalized beer fits the bill perfectly.

Choose from our wide selection of label templates and add your own words, or even your company's logo.

Do you have someone in the office that has the gift of graphics? You can send us your own design to leave a long lasting impression with your clients.

We make your gifts work for you.

Tips

- You don't need a grand, expensive basket (although, that is our specialty) to make an impression. It is better to send a smaller gift and stay in budget, than break the bank thinking a gift basket will fix all your problems. Be reasonable, and you will reap the benefit of a well thought out corporate gifting program.
- It would benefit you greatly to include your company's logo (think personalized wine, champagne or beer) on your gift,
- You can send a gift thanking them for a fine 2009 and looking forward to a 2010 with the economy on the mend.
- If you are comfortable and casual with the client or business, mention a memorable occurrence as part of a New Year's Resolution or toast.

Example: " ..to next year's 'Johnson' Deal"

Whatever the case may be, we can provide you with what you need. If you don't see something perfect on our website, give our friendly customer service a call and will design a custom gift solution for your needs.

Gift giving just got a lot easier with our Vineyard Trio wine gift box. Impress your friends, family and business associates with the wines you choose especially for them from our wine cellar. - Three bottles of wine chosen by you, especially for them.
- A classic presentation box that makes for a lasting impression.
- Your personalized Gift Message.

When you want an exquisite wine gift box instead of a wine gift basket, this one steals the show. Choose their favorite wines and we will beautifully package them in this presentation wine gift box.

Plant of the Month Club

A gift club membership to our Plant of the Month Club is a beautiful way to celebrate any occasion and is the perfect corporate gift for the office.

Each month, the gift club member will receive a different beautiful plant, professionally planted in its own unique container.

All plants are sent directly from the growers, who carefully raise each plant in their greenhouses, ensuring that you get the freshest plants available each and every month of the year.

Each delivery is securely protected in a fully insulated box, and shipped via 2-Day Air to ensure maximum freshness.

Why plants? They last longer! Many of our customers tell us that they prefer living plants over cut flowers because they last much longer. They consider a plant garden's long-lasting beauty to be a greater value than short-lived, cut flowers. We'll let you be the judge.
