There is Still Time for Dad!

Give your dad a break, no more ties! If your excuse for giving dad a bad gift is that he already has everything, we can help. We guarantee that your dad has not received any of these gifts for Father's Day. How can we do that, simple, because they are all new.

Beer of the Month Club

Members of our Beer of the Month Club receive a monthly selection of either six or twelve bottles of premium microbrews from the best small brewers of the west coast. Each month our craft brew experts visit the regions finest small microbreweries, talking with the brewers, and sampling their beers - then we choose only the best we find to feature in our beer of the month club.

Every delivery will have three different microbrew styles. Choose from 2 to 12 month clubs or join our continuous membership and keep getting new beers until you decide to quit.

World's Hottest Dad Beer Gift

He has enough ties and probably enough shirts so why not give him a Father's Day Beer Gift that he will be sure to remember and love. We have put together the perfect Father's Day Beer Gift Basket for him. Included in this gift are some yummy snacks...all a little spicy...and all very tasty! Then, to help put out that fire we have included some of our biggest and best micro brews.

Stogies and Reds Wine Gift

A glass of fine wine and a hand-rolled cigar - the perfect present for wine and cigar lovers. This cigars and wine gift includes two bottles of premium wines of your choosing, or you can include our custom label wines to personalize this gift.

These premium, imported cigars come nicely packaged in their own humidior cigar tubes to ensure freshness - nothing goes better with cigars than a glass of California Cab or smooth Syrah.
